FREQUENTLY ASKED
QUESTIONS

FREQUENTLY ASKED QUESTIONS

The Venue & Space

What time can I have my wedding?

At any time you choose. When you reserve La Collina at Piccione Vineyards for your wedding, you, your guests, and wedding team have full access to the building and amenities all day, from 10:00 a.m. to 12:00 a.m. midnight.

Due to local noise ordinances, outdoor music end by 10:00 p.m., indoor music by 11:00 p.m. Guest departure and clean-up must conclude by 12:00 a.m. midnight.

Do I need to have a wedding planner and day-of coordination?

Yes. Since we are the venue and wine provider, we focus exclusively on executing those portions of your wedding. Therefore, we require that clients hire a professional planner and day-of coordinators.

Can my team set up décor, personalizations, or other custom elements?

Yes. You and your party have full, all-day access to La Collina at Piccione Vineyards to set up any way you like. We want your bespoke wedding to be truly yours.

Does Piccione Vineyards provide a band stage, additional lighting, and/or AV equipment?

We do not have a stage nor do we have A/V equipment or additional uplighting. You may set up a stage – we'll work with you during the process to determine the best size. We recommend using amplification for an outdoor ceremony, if you choose to have the ceremony on the courtyard overlooking the mountains and vineyard.

What happens if it rains, do you provide a tent?

Fortunately, La Collina provides a significant amount of indoor space. However, in the event of rain, and the ceremony is outdoors, we recommend renting a tent – our team is happy to provide a list of vendors and provide guidance for setting up in the courtyard.

Can you provide recommendations for music, catering, equipment, and decor vendors?

Certainly, we can provide a list of partners that we enjoy working with.

FREQUENTLY ASKED QUESTIONS

Food & Beverage

Is outside alcohol permitted?

As the licensed venue, Piccione Vineyards has its own North Carolina ABC beverage license to provide your event with the appropriate alcoholic beverage needs. Due to liability and service standards, we do not allow a client to provide their own alcohol.

Is the beverage package charged per person?

Yes. All adult guests over 21 years old are charged the chosen beverage package. Children, expectant mothers, and guests under 21 are not factored into pricing. During the finalization process, you will provide a final headcount, including how many guests will not be part of the selected wine package.

Can we have the rehearsal dinner in La Collina at Piccione Vineyards?

Yes, the barrel room is available for rehearsal dinner prior to your wedding day as availability permits. Contact our team as soon as possible to reserve the space.

Does Piccione Vineyards have a restaurant or in-house chef to provide catering services?

A professional-grade prep kitchen is available in La Collina – with access to the Event Hall and a separate door outside – for the catering team of your choice. We are happy to provide recommendations for catering and food services, but do not have in-house catering.
